ERRATA for ARIZONA VITAL STATISTICS

1983 EDITION

Please make the following corrections:

Page

2. The Maricopa County population for 1983 should be 1,633,100, not 13,000.

2. The Yuma County population for 1982 was 94,900. On January 1, 1983, the Northern section of Yuma County became La Paz County. The 93,700 under 1983 is the total population of the new Yuma and La Paz Counties added together to show the decrease in total population for the area.

27. Under total fetal deaths, non-white for La Paz County is a one (1), please change it to a dash (-).
On the same line under Yuma County is a one (1), please change it to a two (2).

44. Under facility, hospital for 1982 is 3,584, please change it to an eight (8).
